Govt. Engineer

Visits Strathmore

Appropriations Made for Market Roads at Strathmore and Carseland.

A special meeting of the Council of the Municipal District of Bow Valley was held in the Municipal office on Thursday, May 15. Reeve Chamberlain presided, and Councillors present were Messrs C. F. Baker, A. J. J. Weyers, E. P. Wheeler, E. B. Weishagen, and H. Lausen.

Mr. E. P. Graham, resident government engineer, stated that the government appropriation for Bow Valley was \$146,500 for market roads, this amount being conditional on the municipality spending the same amount.

The government grant was approved as follows: \$250 to Councillor Baker's division; \$250 to Councillor Lausen's division for the road from Carseland bridge through Carseland to three miles north of Carseland, and then six miles west; \$748.50 in Councillor Weyers' division, for the road east of Strathmore. Each of these divisions will spend a similar amount and have agreed to ask for further appropriations this year.

Gravel Pit South of Strathmore. In the matter of the gravel pit which has recently been opened on Mr. H. Wirtz farm about two miles south of Strathmore, Mr. Graham said that the Municipality should not spend more than 10c per yard for the gravel.

The council adopted a motion that the government be asked to purchase the pit outright, and that the council purchase the gravel they needed from the government.

Want Trunk Roads Regraded. A motion was passed that the government road commissioner be advised that the main government highway west of Strathmore required to be regraded, and that they be requested to see that this is done as soon as possible.

Mr. Graham reported that a road was now open through the Blackfoot reserve.

A letter was read from Mr. Buckley, to the effect that the Calgary-Medicine Hat highway would be attended to as soon as possible.

Secretary to Handle Marriage Licenses. A new phase of Municipal activity was commenced when a motion was put forward by Councillor Weyers and adopted that marriage licenses be issued from the Municipal office, and that application be made to the government for the power to transact this business. Intending benedict please note.

Dr. Givins gave a report of the work done in the health department throughout the Municipality during the year. A payment of \$150 was made to the doctor for his services during 1923.

Mr. R. S. Stockton, Superintendent of Irrigation for the C.P.R., attended the meeting, and consulted with the council regarding bridge and culvert repair etc. He stated that it was the policy of the company to co-operate with the council in every way possible in these matters.

Town of Strathmore. NOTICE.

Public Notice is hereby given that a meeting of the electors of the Town of Strathmore, and Strathmore School District will be held in the Town Hall on Tuesday, the 27th day of May, 1924, from eleven o'clock in the forenoon until twelve o'clock noon, for the purpose of nominating a candidate or candidates for the office of School Trustee, caused by the resignation of F. J. Durr.

Given under my hand at Strathmore this 16th day of May, 1924.

F. R. LILLIV, Returning Officer.

Tree Planting

Bee Arise Day

Strathmore Beautified by Extensive Tree Planting

Working Day was accepted in a laboring spirit by the residents of our fair town. At six a.m. many residents were to be seen industriously spading their garden, planting new, cleaning yards and painting houses. On the whole it was a most successful day.

Third street benefited to a great extent by this labor. The boulevards on both sides of the street have been beautified by trees planted at regular intervals, and promise, in years to come, to surpass all other streets with its neatness, cleanliness, and good appearance.

Mr. Jas. Saunders, who headed this tree-planting campaign to be commenced on the successful day in which he accomplished his task. The town has now a good start in this line, and it is to be hoped that every citizen will make it his best to improve it still more and make it "the town beautiful."

The grounds of the Memorial Hall were also the scene of much activity. During the past few weeks the grounds west of the hall have been graded and planted with many fine trees, which greatly enhance its appearance.

Municipal District of Grasswood, No. 248.

NOTICE

Notice is hereby given that a list of lands against which proceedings have been begun under the Tax Recovery Act, 1922, appears in the Alberta Gazette published on the 15th day of May, 1924, and unless the amount of arrears of taxes and costs are paid on or before the 15th day of December, 1924, a Certificate of Title will issue to the municipality in respect thereof. A copy of the said list may be seen in the office of the Secretary Treasurer during office hours.

Dated at Rockyford, Alta., this 17th day of May, 1924.

E. W. PRST, Secretary-Treasurer

EXPECT 15,000,000 BUSHELS. Vancouver grain men are of the opinion that at least 15,000,000 bushels of wheat will go through the port of Vancouver this season. It is now in third place in the list of grain shipping ports of the North American continent, with only Montreal and New York ahead.

EMPIRE DAY, SATURDAY, MAY 24.

Is a Dominion Public Holiday, and all stores and places of business will be closed. Make sure you do your buying therefore on Friday. Stores will be open late.

Double-header ball games at Strathmore and Rockyford on the 24th.

ROUND-UP ATTRACTS STOCKMEN

Winthrop livestock dealers are being attracted to Alberta for the big round-up of 10,000 wild horses to commence next week. This will be the greatest round-up of stray horses ever held in the province and is expected to gather in animals that have been ranging the ranges southeast of Calgary for years.

Barn Burns

A sudden windstorm carried part of a stable fire a considerable distance and deposited burning straw in the barn at the Schumann farm, near Crowfoot School, with the result that the barn was burned, also a Ford car, several sets of harness, grain, etc.

The barn was owned by Mr. Wm. Schumann, of Delno, Minnesota, and the other effects destroyed belong to the tenant, Mr. Wm. Damsen. The barn was protected by insurance, but the rest of the property destroyed was not.

Weather Report

Supplied by C. P. Irrigation Dept.

May 13th to 19th, 1924.

Date	Min.	Max.	Precipitation
13	30.9	74.8	
14	27.6	87.0	
15	45.2	67.0	
16	47.2	75.0	
17	45.2	65.0	.2
18	34.0	49.0	
19	30.0	58.0	

Rain Helps Crops

A fall of sleet and rain on Sunday morning and numerous showers during the past two weeks. Although no suffering had been reported yet some anxiety was being felt. The rain-fall of Sunday is officially recorded as one-fifth of an inch.

Wheat seeding is about completed, and seeding of other crops well forward.

Cheadle Notes

Mr. E. J. Munson, manager and A. Hired, apt. of National Elevator Co. were visitors in town with G. Craig, on Saturday.

Jimmie Haldy, our station agent, was called east to Ottawa by the illness of his father.

Why Is It?

Mr. Teeling is relieving agent at the station until Jimmie returns.

O. G. Craig was a visitor to Rockyford on Thursday the 15th.

Mrs. Chas. Cowell underwent an operation at Los Angeles on Wednesday the 14th, and is doing fine at her account.

Miss Eliza Pierson received her diploma at college, Berkeley, California.

John McLean is expected home this week from the east, where he went some time ago with a car of horses.

Hotel for Strathmore

The property known as the Duff Block on Third Street, Strathmore, was sold on Saturday by Mr. Duff to Messrs R. Inglis and Chas. Keeling, both local men, who propose to reconstruct it for the purpose of an hotel.

The alterations will be commenced immediately and be carried through as soon as possible.

Strathmore possessed two hotels from 1912 to 1915, but one closed down on the advent of prohibition. Mr. Inglis has for some years been manager of the Royal Drug store in Strathmore, while Mr. Keeling has conducted a draying and coal business here for a number of years, and has had considerable experience in the hotel business in Eastern Canada.

The Duff Block was one of the first business blocks to be erected in Strathmore, and at one time housed the Cheadle Hotel, a restaurant, and other businesses which later moved to quarters of their own. Later it has been occupied by Mr. W. A. Froberger and by Mr. Pattinson, baker. Mr. Pattinson is moving across to the premises known as the B. C. Cafe, and Mr. Froberger's plans are not announced yet.

The improvements to the Duff Block building will cost several thousand dollars.

SCHOOL ELECTIONS

As will be seen from our advertising columns, a meeting of the electors of Strathmore School District is to be held in the Town Hall on Tuesday, May 27th, from 11 a.m. to 12 noon, for the purpose of nominating candidates for Trustees of Strathmore School District in place of Mr. F. J. Dunn, resigned. We understand that there have been some complaints regarding the school, and if they have any foundation, now is the time to have them aired.

Why Is It?

Mr. Jack Manzie, a former section foreman here, is having an opportunity of renewing acquaintances here. He has a gang putting in new ties between this station and Chasewood.

A number of Free Masons from the district attended the Institution of Hussar Lodge on Thursday evening, and all report a wonderful time.

Messrs Leut and Mackay, of Calgary spent a couple of days in the district last week.

Breeding in the Standard district has been completed, and already most of the fields are showing green.

Good progress is being made in the erection of the new barn Mr. R. Gregory is building on his farm N. E. of Standard. When completed it will be one of the most modern barns in the county.

The football match between the (Gleichen) team and our local boys played in Standard on Wednesday evening resulted in a win for the visitors, the score being 4-0.

Miss Margaret Snapp, left by the Vistula train for Missouri, where she expects to make her future home.

A goodly number of ladies of the vicinity attended a meeting under the auspices of the Women's Institute, held at the home of Mrs. Dahl on Thursday, when Miss Edith Tinsley, of Edmonton, gave a very interesting lecture and demonstration in basketry. So interested did those attending the demonstration become, they prevailed on Miss Tinsley to remain another day and give further instruction in this very interesting and useful work.

Mr. Geo. Webb has purchased two lots immediately south of his Banner Hotel to meet the requirements of his ever increasing business.

Mr. and Mrs. A. Simonsen have returned to Standard after an absence of almost eighteen months, during which they visited most points of interest.

(Continued on another page)

To Shave in Greater Comfort —make this test!

Why start day after day wrong—by a shave that leaves your face sore and uncomfortable — when better shaves, quicker shaves are possible?

Millions of men now shave in less time, and in far greater comfort, as the result of a test such as we offer you here.

It took us 18 months to perfect Palmolive Shaving Cream for you. We made 149 laboratory experiments. But we gave you these 3 distinct ways to shave more quickly, more comfortably. Make the test—free—and judge for yourself!

Multiples itself 250 times in luxurious lather.

Soothes the toughest beard in one minute—with no necessity for rubbing-in.

Lather will last 10 minutes on your face—moist, rich, effective.

Strong-walled bubbles hold hairs erect—for cleaner, easier cutting.

Your skin is left comfortably conditioned by the careful blending of palm and olive oils.

If comfort is worth anything, it is worth your while to accept our offer. Make the test—see for yourself how well we've done our work.

Just post the coupon today. It brings you 10 free shaves.

The members of the Strathmore Union Choral choir, who attended the musical festival in Calgary on Tuesday evening last were: Mrs. Bowdler, Miss Ewing, Miss Garriot and Miss Mary Scherer. Messrs C. A. Ledwith, George Anderson and Dr. Robinson.

Mr. and Mrs. H. E. Smith motored to Calgary to attend the festival.

It was noticed that the people of Strathmore proved themselves to be good citizens on Wednesday afternoon Arbor Day, when they planted trees on the boulevards, which will add greatly to the beauty of Strathmore.

Dr. Robinson has purchased a Chevrolet Coupe, from Mr. H. W. D. Bell.

The Union Bank of Canada are being honoured by a visit of the "Admiral" to the bank on Wednesday afternoon. It is likely that the Bank staff will be conspicuous by their absence on the tennis courts and the golf course.

The Wauvita Club met at the home of Mrs. F. Craddock on Wednesday last. After the usual business, an address was given by Mrs. Douglas French on the "Relation of the Mind and Body" which was greatly appreciated, and should prove very helpful to every member of the club. Tea was served by the hostess and the club dispersed at the usual hour, 10 o'clock sharp.

Hearing the recent festival reminds us fondly of the great number of vocal talent there is in Strathmore. There is no doubt that if a choral society of some sort were formed and properly handled, that the Strathmore Festival could quite easily be their objective and with very good results.

Miss Fairly and Miss Stanford spent the weekend in Calgary.

Mr. and Mrs. A. R. Roberts are returning in the blink of a day after a May 15th.

Craigantler Notes

Mr. and Mrs. Danforth are proud to know that their little daughter, Geraldine, is improving, and they visit at the hospital as often as possible.

Carl Shoen is improving in Calgary General Hospital.

The Alton school was crowded on Sunday, the 11th inst., being Mother's Day there was an attendance of 118, and quite a number of the Alton people attended the Union service at Golden in the evening and heard a most interesting sermon by the Rev. Mr. Bevan the new pastor.

The new C.P.R. warehouse building is being erected by Mr. Harper, and will be ready for occupancy about the middle of June.

L. H. Laverdier is preparing for an addition to his house on his farm south of Standard.

George Green has the good name of an early riser. George starts yelling at the boys at half past three in the morning, gets them out at half past four to the stable, and the first man to have the dust flying between Strathmore and Husker, and from Rosedale to Vulcan.

We regret to hear of Mr. Naylor's death, which occurred on Sunday, the 11th inst. Mr. Naylor was respected by all who knew him, and will be greatly missed.

Wheat seeding is ninety per cent. finished, and if weather is favorable, grain of all kinds will be in the ground by the week.

Here and There

Although the Canadian Pacific Railway has yet issued no forecast of construction contemplated for 1924, the fact that it has ordered 50,000 tons of steel from the Algoma Steel Company, of Sault Ste. Marie, seems to indicate that its program will be extensive.

According to a statement recently made by the Hon. Charles McCrea, Minister of Mines for the Province of Ontario, 85 per cent of the world's nickel supply is being taken out in the vicinity of Sudbury, where there is an inexhaustible supply of this metal.

Alberta's butter production last year was 15,000,000 pounds, or 3,000,000 pounds more than in 1923, according to reports presented at the annual meeting of the Alberta Dairy Producers' Association, held so long ago that Alberta was using butter imported from New Zealand.

The year 1923 was a favorable one in the building and construction activities of Canada, and returns show an advance of about 10 per cent. In 1922 the total expenditure of new work was \$31,000,000, and in 1923 \$34,000,000, an increase of \$3,000,000.

Exports of pulpwood from Canada in 1923 amounted to 1,345,230 cords, compared with 1,011,100 cords in 1922, an increase of 33 per cent. The 1923 figures are equivalent to about 200,000 tons of newsprint, the amount which can be manufactured from that amount of wood.

C. E. F. Usher, General Passenger Traffic Manager, and B. J. Hebert, First Assistant General Passenger Agent, of the Canadian Pacific Railway, have been presented with medals by the French Government, in recognition of their service in the French Expedition train in Canada in 1921. The medals bear the form of tablets on small stands.

the last week or ten days.

The High School girls did very well last Saturday in their sale of ice cream, candy, cakes, and tea, netting them about twenty dollars, to be used for the purchase of sport supplies.

Ben Cool had a granary of oats burnt last week.

We would like to put our friend from Baintree on the back for the fearless way he came back at Prof. E. A. Ottewill. We would like to have a copy of it sent in to the Hon. Prof.

Last reports are that Dr. Drake is getting along fine. Bob Heiden has taken over the janitor work in the school house. Don't forget the P. B. Club dances on the 26th, and the picnic on June the 3rd.

The other day when we were driving along the north bank of the river, just west of the old ferry site, we were surprised at the natural beauty and exquisite setting of the flat just across the river for a picnic ground. With the use of a high-toned road radio here and now, a ground with ball park and race track could be made that would be second to none in this part of the country. Better think about it folks, you know most of us will, no doubt, live in this country a long time.

As we are writing we are listening in on the U.F.A. and Viscous radio programme, and can recommend it to all lovers of good music, and to all who are interested in the latest report on U.F.A.

Last Sunday, May 18th, attendance at Sunday School reached the number of six hundred, there was a large crowd in attendance at the church service.

Carsland Center-shots

As we are writing these notes, the snow is falling, and the prospects are good for rain. We begin to think we will have to buy our get free bath tub if it doesn't rain, to keep him from turning into a horned toad.

Strathmore High School ball team put one over on the local team last Saturday, with a score of 7-8. The boys played very good ball, and we hope to see more games with better luck to the Carsland team.

Several narrow escapes from what might have been very disastrous fires, occurred in the neighborhood during

GOVERNMENT LIQUOR CONTROL ACT OF ALBERTA

APPLICATION FOR BEER LICENSE

Public notice is hereby given that the undersigned, applying to the ALBERTA LIQUOR CONTROL BOARD for a License to sell Beer by the glass, or open bottles, for consumption in conformity with the provisions of the Government Liquor Control Act of Alberta, and regulations made thereunder with respect to the following premises:

The Strathmore Hotel, situated on lots 25, 26, and 27, Block 3, Plan 810N, in Third Street, Town of Strathmore, the proposed beer sales room being the western portion of said hotel building, with entrance from Third Street.

Dated at Strathmore, Alberta, this 20th day of May, 1924.

ROBERT INGLES, Applicant

There once was a very gay Mr. Who called on a girl and then Mr. But his numbers were such That he did it too much. And her lips soon started to lit.

Namaka Notes

At a meeting of the U.F.A. it was decided to hold a picnic on July 1st at the Shualte ranch.

Mr. W. J. Johnson is making daily trips to Calgary, in which place he is taking special treatment.

Mrs. W. H. Baker, spent the weekend in Calgary, visiting her son Harry.

Mr. Alex Young is spending a month in Calgary, undergoing treatment with Dr. Messinger.

Mr. W. H. Baker has completed his new pool room, which will be opened for business this week.

4300 TH ASSIST SETTLERS

A new departure is about to be made in the immigration policy of Canada, following an agreement between the Canadian National Railways and the Government Settlement Board, under which groups of settlers are to be brought to Canada and settled in communities. Each head of a family will be assisted the extent of \$300, in addition to the land given in the way of reduced transportation costs to all immigrants under the agreement between the Canadian and British governments.

"The Town That Forgot God"

William Fox Photodrama Artists Superlative Cast, including Jane Thomas and Bunny Graus—Directed by Harry Millarde

Another William Fox special production will be given its local premiere at the Memorial Hall when "The Town That Forgot God," a melodramatic story of small town life, will show Saturday.

Directed by Harry Millarde, who staged the famous drama of another year "Over the Hill," "The Town That Forgot God" promises an entertainment of unusual merit and heretofore cast of screen artists worthy of special mention.

What probably is the most sensational storm and flood scene ever shown upon the screen forms the climax of this photodrama, according to

advance reports, a whole city being demolished by the rushing torrent and terrific wind.

While the storm and flood scenes were being photographed a number of cameramen, stationed at various points around the area to be flooded, narrowly escaped drowning when the platform upon which they were standing were washed away by the rushing current. The photographers, their cameras and all were caught in the torrent, it is announced.

A notable cast of screen artists portray the various difficult roles in this sensational story of rural life, including Jane Thomas, who has played featured roles in a number of William Fox special productions; Bodineau, a youngster who started his career with David Warfield in his recreation of "The Return of Peter Grimm"; Warren Kiech, Harry Benham, Grace

Barton, Francis Hoely, Edwin Dennis, James Devine and others of equal note.

"The Town That Forgot God" is from a scenario by Paul H. Sloane, who wrote the scenarios for a number of recent Fox successes.

REDUCTION OF LAKEHEAD STOCK

Grain in store in the elevators at the head of the lakes have already dropped to a point below one-half of what was shown at the opening of navigation. The decrease in stocks over eleven and a half million bushels brought the stocks in store on May 10 below those of the corresponding date of last year.

Local Notings

OF LOCAL INTEREST
• Readers are requested to send in items for this column not later than 12 o'clock Monday noon.
• preceding day of publication. All local news items are welcomed by the Standard. Phone 17 or 18.

• Strathmore G.W.V.A. held their regular meeting last night. Following the meeting an enjoyable supper was participated in.

• The hearing of appeals against assessments, principally by the C.P.R., took place in the Town Hall last night. A report of the proceedings of the Court of Revision will appear in next issue.

• The famous film "The Covered Wagon" is coming to Strathmore Memorial Hall on a three night's engagement. Mr. Hirtle is running a fine line of pictures at present, and for this week is showing a fine Fox Special, "The Town That Forgot God."

• A few cases of smallpox are still being reported in Calgary.

• Next month a round-up of wild horses will take place in the Eastern Bow Valley. Now, cowboys get busy. Some of these picked up should provide good example material.

• In regard to our report of the fire that broke out in town last Saturday, Mrs. Oliver Wright states that the statement that the phone call to the Town Hall was not answered was incorrect. The phone having been answered by Miss Wright. At the same time, she states that it is impossible to expect to have the town hall constantly occupied day and night. That is so, and we apologise to Mrs. Wright for the unintentional misstatement. But as the same story has been told, we will have to devise some method to ensure that alarms are responded to at once, for a minutes' delay may make all the difference between safety and destruction. Whatever the cause was the fire last week had been going for some time before the alarm was given, and we would suggest that the Council ask the Fire Chief to investigate the reason for the delay and report to next Council meeting.

• Mr. J. B. O. Loomell last week sold a farm in the Carleton district to Mr. Delhaes, a recent arrival from Germany. The deal was a cash one. A Mr. Schenberg, who came over with Mr. Delhaes, is at present staying with Mr. John du Toit, who recently purchased a farm in Strathmore district.

• A Strathmore man sent Vendor Slip an application for a permit under "The Drought Relief Act," and the act was duly chronicled in the Calgary papers.

• Tommy Wright reports a very successful day with the Hobbler representative.

C. P. R. AND TOWN COMPROMISE ASSESSMENT

At the meeting of the Court of Revision, held in the Town Hall last night, the appeal of the C.P.R. against the assessment of various of their properties was heard. After a lengthy discussion, the C.P.R. representative, Mr. E. Shepherd, stated that the Company would allow the assessment on farm lands within the town limits to stand if the assessment on farm lands assessed for school purposes was reduced to the same amount as M. D. Bow Valley assessed, and if the valuation on Block E was reduced to \$1,000. This was done. Several other appeals were dealt with in the same manner, and assessment being reduced to that of Bow Valley.

Golf Notes

The greatly improved condition of several of the greens on the local course has given a new impetus to the game. An expert with an assistant has been working for the past week on the course, and intends to have all 9 greens finished for Saturday, May 24th competition.

The men's handicap competition for May will be played, 18 holes, commencing not later than 9 a.m., Saturday, May 24th. All players apply to A. B. Foose or Dr. Robinson, captains, for cards. The draw for the game is as follows:

A. B. Foose with P. R. Dobson; J. Van Tighem with R. Hill; H. Williams with L. B. O. Lohmelt; R. S. Stocker with A. Pearson; H. Tompkins with Dr. Givins; J. French with A. D. Shrimpton; P. Nalmsmith with Alec Gray; W. Gray with D. French; F. Fenn with G. Dewar; M. Tallman with E. Jenkins; E. Stewart with J. H. M. Martin; Walter Gray with L. Van Tighem; T. Wright with A. McParland; H. Bell with J. Macdonald; E. Fox with Lydall; R. Lally with Dent; E. N. Ridley with P. B. Young; Dr. Robinson with A. W. McKechnie.

Any player whose name has been inadvertently omitted, please apply to the captains for card and partner. Play may commence at 8 a.m. and not later than 9 a.m. in order to leave ample time for the driving and putting competitions, which will start at 10 a.m. for ladies, at 11 a.m. for gentlemen. A fee of 25 cents will cover the entries for the above three competitions for men. Ladies receive for the driving and putting competitions may be obtained from the treasurer, Miss Brown, 15 cents covering both entries. The fees will be spent on prizes for the competitions.

Local lady golfers held their annual meeting in the town hall on Friday evening last, at 7:30 o'clock. The society with which they disposed of last year's reports, elected their officers for the present year and vacated the hall in time for the city fathers to hold a council meeting creative, we believe, a new record for speed in such affairs. The executive for the present year are: President, Mrs. Gilbert Patrick; Vice-President, Mrs. Tompkins; Secretary, Miss Gibson; Treasurer, Miss Brown, Mrs. Givins. The personnel of the sub-committees will be announced next week.

Two prizes will be awarded on June 1st, lady's and gentlemen's, for the best 2 scores made by any beginner on or before that date. Cards duly signed by partners may be turned in to Miss Gibson and Mr. Foose not later than the morning of June 2nd.

It is rumored that a team of golfers from Rockyford will storm our town on Sunday next, May 25th. En garde!

Rosebud Notes

Garrett Patterson, who has been ill for several days, has left for Calgary to get medical attention. We sincerely hope that Garrett has been constructed the mail-pox.

Miss Cupp is reported as progressing and the children in the school have been vaccinated, and every precaution taken to prevent the disease from spreading.

The U.F.A. and C.F.W.A. wish to again draw the attention of everyone to their big dance, which will take place on Friday next, May 24th. The U.F.A. has a reputation for putting on splendid dances, not to mention the bunch, and this dance will be no exception to the rule.

Last Saturday's dance in the hall in Rosebud drew a good crowd and everyone is eagerly looking forward to next Saturday's dance.

The Place to Buy That -- Snappy Straw Hat!

We've rolled up the curtain on our opening display of Men's Select Straw Hats. And if you men want to see something really snappy, nifty and nobby -- you want to get around at your earliest convenience and see the offerings in this great event.

Sailors of light or the darker shades of select straw with narrow or medium brims, high or low crowns and attractive color combination or plain bands. Panamas, Madagascars and other high class Straw Hats in attractive models -- very reasonably priced for this selling.

Bow Valley Baseball League Opens
Play Victoria Day

May 24th, Victoria Day, will mark the opening of the baseball season for the Western Bow Valley League by a stiff battle between Stratmore and Crowsnest ball teams.

It is unnecessary for us to give a detailed description of the Crowsnest team, as all fans are well acquainted with the high class ball they play. We might say, however, that Denton's arm is still in good shape.

Managers Lodmelt and Anderson, of Stratmore's snappy aggregation, have a real strong team lined up, and promise to carry the honors of every game this season.

The managers are pleased to report that they have secured the services of our old reliable, Harry Baker, star short, for the day.

The games will start on the Stratmore diamond at 2:30 p.m. and 6 p.m. prompt. Everyone turn out and boost the boys in their initial game.

BASEBALL DANCE IN
MEMORIAL HALL FRIDAY

On Friday evening, May 24th, the Stratmore Baseball Club will hold a dance in the Memorial hall, Stratmore at 9 p.m.

Hirtler's orchestra assisted by a Calgarian trombone will furnish first-class music for the occasion.

The boys feel sure this will be the dance de luxe of the season and are fully prepared to make this their initial effort for the 1924 season, an event to be remembered. Come one, come all.

Irricana News

Mosses Chapelle and Reeve, Provincial Government surveyors, are in the locality looking over proposed bridge sites.

Mrs. Mahel Hines, who successfully operated the local telephone board, has tendered her resignation, to take effect as from the 21st inst. Mrs. Bond, quiet, unassuming domestic, and ardent devotee to duty, won her many sincere friends, who will miss the service of a faithful and patient hello lassie.

The Ladies Aid met on Wednesday afternoon at the home of their very efficient secretary, Mrs. W. Wile. The chair was taken by Mrs. B. B. Wilson, in place of the President, Mrs. Craig, who was unavoidably absent. A large attendance was in evidence, several visitors being present.

Mr. and Mrs. J. H. Hiltz, former residents of Irricana, were guests of Mr. and Mrs. J. C. Crawford over Sunday.

RAILWAY USES ELECTRIC CAR

THE first storage battery electrically driven car used by railways in Western Canada has been placed in service between Winnipeg and Transcona by the Canadian National Railways, whose shops at Transcona employ some 2,600 men, many of whom reside in Winnipeg, travelling back and forth morning and evening. Others reside in Transcona with

their families, but do their shopping and other business in Winnipeg. The inauguration of the new electric car service gives a regular schedule of runs daily which can be operated by the railway company much more economically than under the former system of operating extra passenger trains several times daily. The new car was converted from a gasoline-electric car at the St. Catharines shops of

the Canadian National. It is of solid steel construction throughout with four-wheel drive and trucks. The length is 63 feet over all and accommodation is provided for 100 passengers. One end of the car is reserved as a smoking compartment. The car is capable of maintaining a speed of 40 miles per hour on level track and makes the one-way trip between Winnipeg and Transcona in 15 minutes.

Road Improvement

We are glad to note that a considerable amount of road improvement is to be undertaken throughout the Municipal District of Bow Valley. The grant by the government for major roads will be of much assistance in this respect, and a consistent policy of road improvement followed out year by year will be much more satisfactory than a haphazard policy of heavy expenditure one year and total neglect the next.

We hope that this year the government will actually do some permanent improvement work on the main Calgary-Medicine Hat highway. Re-grading is absolutely necessary on some sections of the road, and dragging alone is of very little benefit.

The purchase by Bow Valley and other adjacent municipalities of light road maintainers should enable the roads this year to be kept in repair at small cost, and will give ratepayers an opportunity to work out their municipal taxes, whereas if work was entirely done by contract, they would have no relief.

Mr. Buckley, the provincial minister, states that he is doing his best to get the main highway graded. We trust he will not let up on this matter, but insist on this district having their share of the highway work which is being secured by arrangement with the Federal Government.

The Adoption Pangle

A letter was received on Monday from Mr. Sugden, of Chelms, giving details of an adoption case. The letter will be published in next issue as room is not available this time. The letter gives the details of an extremely distressing case, and Mr. and Mrs. Sugden will have a great deal of sympathy in the position in which they have been placed.

Mr. and Mrs. Sugden should, it seems to us, and we think it will also, to the majority of our readers, have had the right to appear in person before the Appeal Court, and present their case before the child was taken from them. They are endeavoring to cause public opinion so that they may get a hearing. It would be a great pity if the Christian kindness exhibited by them to their adopted child was to be permanently rewarded in the fashion which they relate.

We understand a petition is being circulated to have the case reheard.

MANITOBA'S MINERAL AREAS

On a recently published map of Manitoba's mineral areas there are shown as known mineral districts fifteen and mention is made of the fact that in The Pas district alone it is said there are two districts in which the geology would indicate minerals which have not yet been prospected at all.

CANADIAN COWBOYS FOR OVERSEAS

That negotiations are in progress with a view to having a contingent of Canadian cowboys go over to the British Empire Exhibition in August, was the statement made a few days ago by E. L. Richardson, manager of the Calgary Exhibition and Stampede. If the arrangements are completed the riders will be selected from the champions determined at the Calgary Stampede, July 7 to 14.

Announce Third Annual Tour To the Coast

Special Train from Winnipeg. Stops Made at Various Points of Interest.

PERSONALLY CONDUCTED

This tour, which will be interesting to the holiday maker and of educational value to the student and to the teacher, offers an unusual opportunity for seeing, under the most favorable conditions, the Canadian Rockies, including Jasper National Park, and the Pacific Coast.

The special train, operated in conjunction with this tour and consisting of modern sleeping car equipment, dining car and radio observation car will leave Winnipeg, July 2nd. After stopping at various points of interest the train will arrive at Prince Rupert on July 7th. At this latter point, the party will embark on one of the palatial steamships of the Canadian National Pacific Coast service for a cruise of 550 miles through the famous "Inside Passage" to Vancouver. While the tour terminates at Vancouver, those who desire to make a trip to Victoria, may have their tickets read Victoria as their destination without any additional cost.

The local agent of the Canadian National Railways will be pleased to give you full particulars of this tour, including the cost, choice of routes returning, etc.

Cover Your Shingles
with
A
Stephens'
PRODUCT

For new shingles—**Stephens' Shingle STAIN**

For old shingles—**Stephens' Shingle PAINT**

On new shingles you want Shingle

Stain.

But when shingles get weathered, they thicken up, become porous and absorbent—like blotting paper. That's when you want **Stephens' Paint**—a new Stephens' product, remarkably successful, and exclusive to Stephens' manufacture.

Shingle Paint gives strong, brilliant, permanent color effects. It is particularly useful on new and old roofs alike, where color dominance counts.

An old black roof can be made Red, Green, or any color with **Stephens' Shingle Paint**. This cannot be accomplished with a stain.

200 HOGS BURNED

A fire which started in "Tulna" and Miller's hog house on Monday afternoon destroyed about 200 hogs. Quite a number of townspeople were out helping to get the fire under control. The loss of so many head of hogs, and of the building, is a heavy one financially.

CAR FALLS INTO CREEK

Jack Morton, Rosebud, met with an accident early Sunday morning when his Ford car went off the road into the creek south east of town. Fortunately Jack was not badly hurt, though shaken up somewhat.

The ladies of St. Rita's Altar Society held a very successful pantry sale on Saturday afternoon.

The ladies of the Union Church are serving supper between games on the 24th, and after the last game, at the Masonic Hall.

Tutor Church Services—Union services will be held at the home of Mr. and Mrs. F. W. Schaefer on May 25th, Rockyford Drug and Confectionery Co. are holding a one-cent sale, commencing May 28 for four days. Don't fail to read over the bargains offered. When you do you will buy.

The reports have been very busy this week, so we have not as many notes as usual. Will do better next time.

Mr. L. L. Plotkin has been appointed agent in this district for Southern Alberta Oil Co. and his adv. on this page will be noted.

GALA BASEBALL DAY FOR ROCKYFORD

Holders of the Alberta Championship Play Calgary Athletics Victoria Day. On Saturday, May 24th, Rockyford baseball team, holders of the 1923 championship for Alberta, will play the first game of the baseball season with the Calgary Athletics, at Rockyford.

The Athletics will by no means be "easy pickings" for the local boys as they are one of Calgary's strongest amateur teams and have a successful record in their credit.

Manager Earl Brown, of the Rockyford team, states that in his opinion, he has a stronger and better team to start the season than he had last year. Which, in our opinion, is going some. Fans will remember the snappy combination play which finally landed the local team at the top of the league. This play, it is said, will be one of the big features of the 1924 season, and along with a strong battingline assure all baseball enthusiasts of first-class ball by the Rockyford team.

The games of the 24th will be played at 2 p.m. and 5 p.m. prompt. All fans and supporters are urgently requested to turn out en masse and give the boys a hearty start. Let's all get a dance will be held in McCreary's Hall in the evening to the strains of Mrs. Myers' orchestra, a lunch will be served.

With characteristic enterprise, the Rockyford Drug and Confectionery Co. are holding a one-cent sale, commencing May 28 for four days. Don't fail to read over the bargains offered. When you do you will buy.

The reports have been very busy this week, so we have not as many notes as usual. Will do better next time.

Mr. L. L. Plotkin has been appointed agent in this district for Southern Alberta Oil Co. and his adv. on this page will be noted.

Phone 23 The ROCKYFORD DRUG & CONFECTIONERY Co. Phone 23

- BIG FOX SPECIAL -**Baintree Sidelights**

Mr. and Mrs. Wm. Baintree, with little Donald, boarded the eastbound train on Sunday morning to England, where they will spend the summer. A number of friends gathered at the station to bid them farewell and to wish them a safe and happy voyage.

No, we ain't going to Bolivia. Tell you why. We met a friend on the other day and asked him if there were any rattlesnakes in that happy land. What do you think he said? The other snakes that grow the size of telephone poles had eat all the rattlers up.

The ass went looking for horses and lost his ears. - Boston Proverb.

Whir, bing, bang! Yes sir, another stinger snap is overboard. A nice little-headed benevolent old gent living in the East tells our friends that this young and vicious country is full of dead beats and rascals. Oh, my! Isn't the dear chap very naïve. Yes, we know it's true but every time a fellow in the east gets indignant, he's told to get up again.

"Did ever it occur to you" while harrowing a piece of land recently, a democrat occupied by two male members of the rising generation passed us in scorn. Said the elder of the two, "Ah, he's a lay old man. Hilt! I saw him working on the same place ten days ago." The youthful Solomon replied: "Yes, my old man says he is the slowest crew in the world." No! No! We didn't get mad, but the way we pat the old team on the tail made them think that something unusual had occurred.

Beer, Beer, Glorious Beer. Fill yourself right up to here.

Sure it's a nice one fellow, but don't slug it too often. Be temperate, this one, even if the day be hot and the beer cold. Better be something you pay for when it's cooling, when it is going, and also afterwards. We know, do you.

If we had the gift of Shakespeare we would compose a dirty line in honour of that little called baling wire. The other day we had the misfortune to break a single tree, and was on the verge of going home, when looking at the fence we found the ancient remedy. The inventor of that useful thing should have a monument erected to his honour in every farm yard. Baling wire can mean anything from a Poed to a pair of old shoes. We have seen one used as a tooth pick and the other to clean out an old tobacco pipe. You can use it to make a handle for the tea kettle, and it is ready for excellence for broken harness. The kids find it all right to mend their sleighs and basketball bats, and some ladies use it to hair curlers. When you want it to break it won't break, and when you don't want it to break it will break. Isn't that right?

In last week's issue of the Standard, the editor of the Carleton Place Photo requested a note to write a sonnet to "next year's country." We think that for the inspiration madman. In our humble opinion, this is the greatest next year country under the bright blue sky. Despite all our knowledge on the subject, we must decline the invitation. To save you any further disappointment we would suggest that you apply to the University of Alberta for a qualified professor to deal with this important matter. One of those learned gentlemen has acquired a great amount of fame by addressing U.P.A. meetings on "The Canada of Tomorrow." You will notice a similarity in the two themes that show how closely great minds run together. We are here today by the grace of the tax collector, and the all merciful poet, none of the C.P.R. At present we are getting our own porridge, and jam by the sweat of our creditors' brow, our tobacco and other luxuries come from across the water, and every penny.

Next year we may be in Bolivia, or we may be elsewhere, so why should we meditate over this. Let's discuss something worth while. How is your hubby and the bairnies standing this warm spell? Bet you a box of Lowrey's that our boss has got you returned for rubber turkeys. Say we got a dandy post at our place. We'd sure like to have you here your kids here for an hour. They can stand on her hind legs and beg for sugar just like an old colt do.

Yes, she is very fond of kids, and members of the U.P.W.A. Say that reminds us, lady. That was a nice gentle smack you gave us about the wheat post and U.P.A. No, we didn't mind it a bit. You see, we have got into the habit of regarding a kiss and

drawn as being much alike. If any body wants to know our character, tell them to ask the U.P.A. They will tell you one thing, we get under the collar. If that's so, sister, there is what happens. When a guy hits us on the back of the head, the Englishman says, "Give it to him, old son." But just as we are about to prevent him with an olive branch, a long low Irish ancestor steps into the breach and says, "Give it to him, old son." Say aint you just aching to learn how we know that a lady is the Carleton correspondent. To be truthful, we are not a bit certain, but when you write about a mother or kids being sick you say little things that only a woman can say.

Yes, we like what you write, and also the fact that you never forget to send us your correspondence every Monday.

Before we go to feed the goat for the last time, let us tell you the story of an Englishman who went home. A friend inquired what year he had years he had seen in Western Canada, 1915 and next year was the prompt and correct reply.

Standard News

(Continued from front page)

lost in the coast states, as far south as Los Angeles.

Irish Lavidson has greatly improved the appearance of his village residence property by beveling the eaves, and planting a number of well-developed trees and shrubbery.

Mr. A. C. Williams' new law office, immediately south of the Union Bank, has been completed, and will be occupied within the next day or two. Mrs. Williams and children, who have been in the East for a couple of months, where Mrs. Williams was called out to the death of her father, are expected to return to Standard shortly, when they will occupy the English and Heinschke cottages on Christian Ave., and 2nd St. West.

Mr. A. J. Wenzel is in charge of the C.P.R. business in Standard during the absence of Agent P. D. Knowlton to his home in Nova Scotia. Mr. and Mrs. Knowlton left on the 15th inst., taking the main line train at Glenora. Mr. Pennel, who is in charge of missionary work in the field comprising Standard, Chancellor and Husker, and who will conduct services at Standard each Sunday evening during the summer months, has organized a Prairie Ranger club for boys, and has now sixteen enrolled. Mr. Jack Gammon, of the Union Bank staff, who has had considerable experience in Boy Scout and Trail Ranger work, is assisting Mr. Pennel with his efforts to give our boys an opportunity of becoming acquainted with the activities of an organization that has become nation wide.

**Dodge Brothers Cars
Produced in Canada**

Purchasers in Canada Receive Benefits in Better Values at Consistent Prices.

With the main object in view of affording Canadians better values at consistent prices than was formerly possible Dodge Brothers have practically completed the installation of the necessary equipment in their plant at Walkerville, Ont., for the manufacture of Dodge Brothers Motor Vehicles. This step has been brought about only after careful investigation of the requirements of the Dominion of Canada, and may be taken by the public as a complete recognition of the existence in this territory of a large potential market for Dodge Brothers Motor Cars.

For several years Dodge Brothers have been under a distinct handicap in maintaining Canadian operations, due to the tariff requirements. This made it impossible to approach the prices prevailing in the United States. Also a certain amount of natural prejudice has been built up among Canadians, who prefer to have the cars they buy manufactured in their own country. Canadian goods made in Canadian shops by Canadian workmen. The reality of the Canadian buying public of the remarkable value built into Dodge Brothers Motor Vehicles has alone enabled Dodge Brothers Canadian Operation to break headway against their competitors. The principal barriers now having been removed by their Canadian facilities, Dodge Brothers today stand in the position of being able to supply the Dominion trade with automobiles manufactured in a Canadian factory at prices wholly in line with those of competition.

Ardene Notes

Rev. Johnson, the newly appointed pastor of the Nightingale district, preached an inspiring sermon on Sunday before a good attendance at Ardene last Sunday. Services will be held every Sunday at 2:30 p.m. Invitation extended to all.

The U.P.W.A. will meet May 24th, at the home of Mrs. Gotthard, Sr. at which Mrs. Wymen will address the ladies on the subject "Laws Regarding Women and Children." Every house-maker should make it a point to attend.

A special meeting of the U.P.W.A. was held on Tuesday at the home of Mrs. Horricks, to further consider Young People's work in this district, and also the University week, to be held the first week in June, at Edmonton.

The ladies further unanimously expressed their wish that Mr. Shaw, M.P. is presenting shortly before the parliament of Canada, which places the wife on an equality with the husband as regards the grounds upon which divorce may be obtained.

**DECIDED IMPROVEMENT
QUICKLY NOTICEABLE**

Dreco Proves Wonderful Help to Mrs. Scully, Who Feels Very Much Encouraged by Result.

Mrs. E. M. Scully, of 9515 85th Ave., Edmonton, was searching for a good reliable remedy. She found it in Dreco as the following statement shows:

"For some time I've needed a good reliable medicine. My stomach, kidneys, and liver were my chief sources of trouble. Everything I ate would turn to gas. I had pains in my back and stomach and my joints ached from rheumatism. At times it was very difficult to walk up and down stairs. "Once taking Dreco, however, all these ailments are quickly disappearing. I'm surely glad I tried it."

"I haven't any more rheumatic pains and my food digests better than it has for years."

"I am only too glad to recommend Dreco to others, as my improvement may lead to helping someone else who has the same trouble. I have only used two bottles of Dreco thus far. Dreco is a reliable household remedy endorsed by thousands who have proven its genuine merit. It is compounded from the juices of medicinal herbs, roots, bark and leaves and is a wonderful tonic for the whole system. Gives quick relief from indigestion, constipation, sick headache, backache, pains in limbs, biliousness, constipation and many other ailments. Build up your system with Dreco, the sure remedy that contains no mercury, opium or habit forming drugs. Dreco is being specially introduced in Standard by the Strathmore Pharmacy, and is sold by a good druggist everywhere."

Holstein Herd Record

Many Animals at the C.P.R. Demonstration Farm Big Milk Producers

The record of the herd at the Canadian Pacific Strathmore farm, although in every way excellent, is being bettered according to a statement made to The Calgary Herald on Monday by George H. Hutton, who has just returned to the city after thoroughly going into matters there and at the farm at Cardale. He stated that last year the average production for every cow in the herd was 11,019 pounds of milk, although a large number showed 20,000 pounds or better. There were at the present time on the farm 28 cows whose record of performance were in the latter category.

May Start Campaign

Mr. Hutton said that arrangements were being made for a party of prominent agriculturists from Minnesota and the Dakotas to visit the company's farms with the idea of impressing the truth also at different points. It is stated that if they are convinced the trench silos would work out in these states, a campaign for trench silos would be started there.

Practically all wheat seeding has now been done in the Strathmore district according to Mr. Hutton, and much of it was above the ground and looking well. There was ample moisture in the ground.

Conditions Good

Mr. Hutton said that conditions in Lettbridge were good. At the company's central farm at Cardale about 1,500 acres were being seeded to wheat, and the weather was ideal. The best of cattle at Cardale, he said, had made a splendid

**HOW TO SELL
YOUR LAND**

The success of selling your land will depend largely upon the liberality of your terms to the incoming settler.

To create demand and accomplish results in securing settlers for Canada it is necessary to meet the competition of other countries, interested in development and colonization, and this can only be done, under present world wide conditions effecting agriculture, by offering land at right prices, small down payments, long terms and low interest rate.

For Your Protection

There is an established cash price for all Ford products, which price is fixed by the Ford Motor Company of Canada, Limited.

In co-operation with the Traders Finance Corporation the Ford Motor Company of Canada, Limited has also established a fixed price to be paid if a purchaser wishes to purchase on the deferred payment plan.

The purpose in establishing this definite time price is to protect the buyer against excessive charges.

The charge authorized by the Ford Motor Company of Canada, Limited and charged by the Traders Finance Corporation is absolutely fair to every purchaser who buys Ford products on deferred payments.

This deferred payment plan is a simple business arrangement devised for your convenience—by means of which with a small down payment you may drive your car—paying the balance in small monthly installments. These rates are as follows:

	Down Payment	Monthly Installment
Touring.....	\$227.38	\$32.66
Touring (Starter).....	268.76	37.08
Runabout.....	214.98	30.76
Runabout (Starter).....	240.76	35.99
Coupe.....	340.88	45.66
Tulor.....	367.62	51.84
Fordor.....	428.12	60.00
Truck Chassis.....	262.56	32.75
Truck Chassis (Starter).....	280.75	38.08

Slats' Diary

Friday—well Jane and me and Billie were the time of our life tonight.

We were going out to the lake to get a follow up on our common but down by the bridge we seen a yung couple composed of a yung fellow and his girl spooning and he was kissing her to beat the band. And then he stooped for a 2nd & she says to him, Do you really love me, honestly.

And he sm and said, You bet your life I do but I had to stop and try to catch my breath. And we like to die laughing and hoped we'd never get so foolish as them kind of people.

Saturday—At are dance tonight, every time I get for a dance, she was so tired she sat but then she came out and she went away with him, honestly the more I think of her the less I think of her.

Sunday—One way to think of church we had Chas Peterson and he wouldn't look up at me and I told her to me. I wonder what makes Chas so shy & I didn't reply no answer. If he had only now the truth about the facts of the matter I wouldn't be so sure of this when he got to fresh to suit my taste.

Monday—This evening when I was starting to the pitcher shop to see Wm. S. Hart and he was a setting in the room very quiet. I couldn't understand why this was occurring unless he was a trying to find where to begin at. Seen a fine fellow here.

Tuesday—Acting King got terrible more at his house when he sat her if she might like to go with him to see The Barber of Seville. She said she was throwing up and she said she couldn't help it because she had hair on her chin. Pa explained to me later on that it was an opy with someone in it or was this kind of thing.

Wednesday—In are language test to day teacher ask who was in Memorabilia and I knew it was a ketch on one. I knew no body would rise to a horse. After all nobody she meant who rode him, but I didn't do that neither.

Thursday—One man Chris has about decided to get married but can't make up his mind whether to marry a widow or a new one and tamper his self.

Friday—The Government Liquor Control Act of Alberta.

Application for Beer License.

Public notice is hereby given that the undersigned intends applying to the ALBERTA LIQUOR CONTROL BOARD for a License to sell Beer by the glass, or open bottle, for consumption in conformity with the provisions of the Government Liquor Control Act of Alberta, and regulations made thereunder, with respect to the following premises:
